SUMMARY

Motivated B.E. CSE student with a strong foundation in full-stack development and data structures. Proficient in HTML, CSS, and JavaScript, with a basic understanding of backend development and SQL. Experienced in C/C++ and actively learning Java and advanced backend frameworks. A proactive team player who effectively communicated a technical solution as a spokesperson for a hackathon team and has hands-on experience building a 3D game with Three.js. Seeking to apply technical skills and a passion for building user-friendly applications in a challenging role.

EXPERIENCE

Relevant Experience / Leadership & Activities

Management Team Member | Annual School Fete | October 2019

- Contributed with a team to organize and manage the annual school fete, including scheduling and management
